What? The Branch Elder's son...?!

SMIRK

Yes, I saw it with my own eyes. Man Gang Hong didn't know what to do either.

I'm so sorry, Brother Su-Hyun.
Aran has become our enemy.
I'll leave the New Murim Alliance
and join you immediately.
Hahahaha!

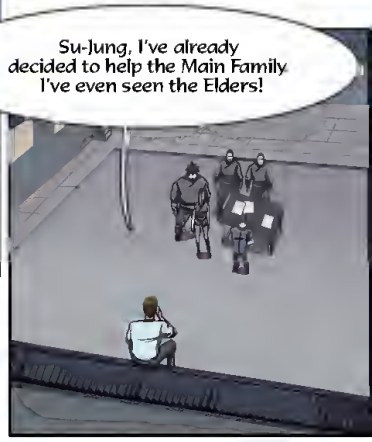
Why are you laughing, Brother?



Su-Jung, I've already decided to help the Main Family. I've even seen the Elders!

As expected of you!

It would've been better if the Ki went to you in the first place.

Hahaha...

.....

Su-Jung, you must know many things about Aran, such as his habits and... his weaknesses.

I'll call you again.

Leave the New Murim Alliance and come to my side. We'll get the Grand Master's Ki back together.

Sfx: Touch

Sfx: Tap

She says Aran has defected to the Branch Family.

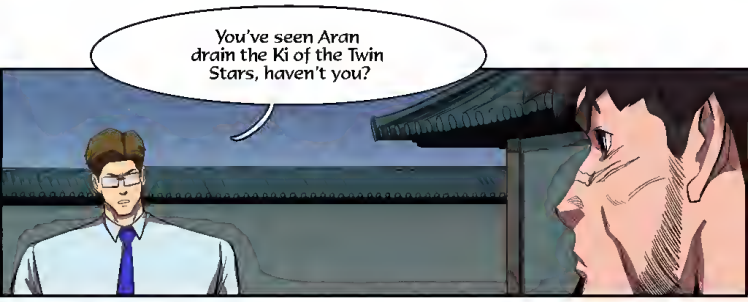
!!!

What the hell do you mean?!

Aran did?

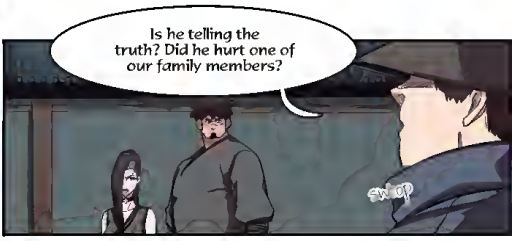
step
step

I can't believe that
Why would Aran...?

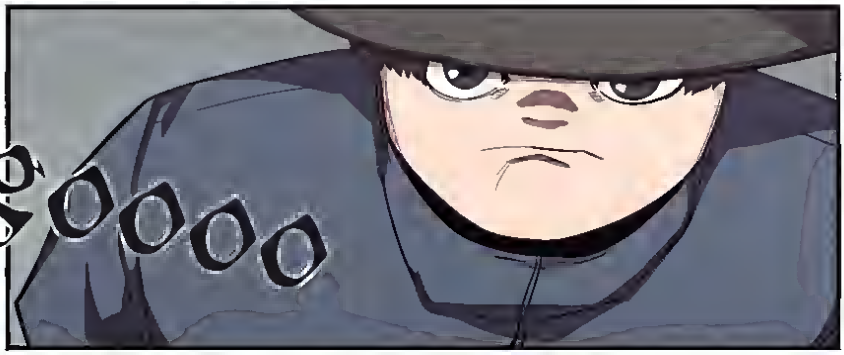


You've seen Aran drain the Ki of the Twin Stars, haven't you?

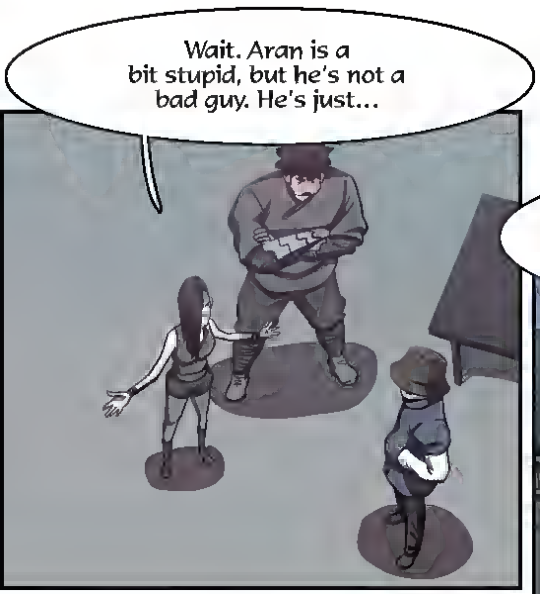
Sfx: Down~
.....
푸욱



Is he telling the truth? Did he hurt one of our family members?
swish

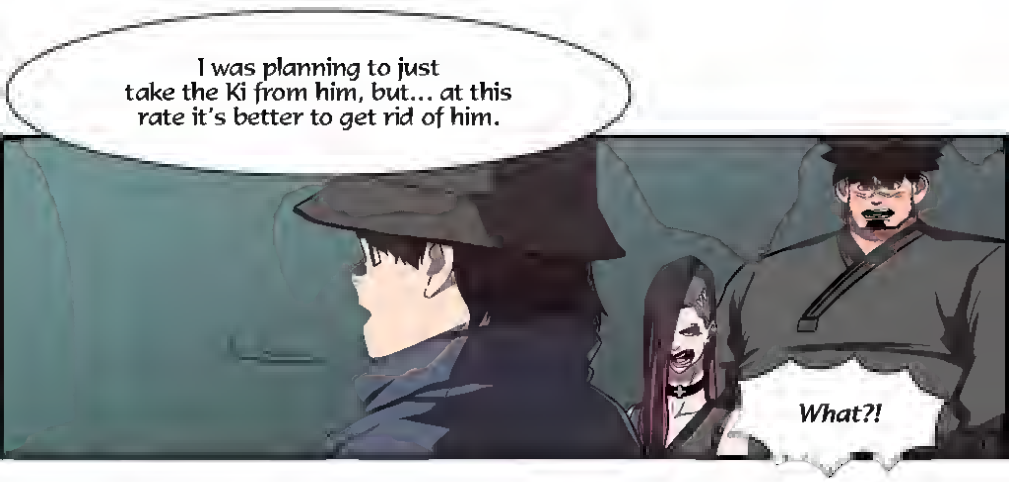


Oooooo



Wait. Aran is a bit stupid, but he's not a bad guy. He's just...

What are you talking about? He hurt one of our family members!
If we leave him be, he'll become a bigger threat.

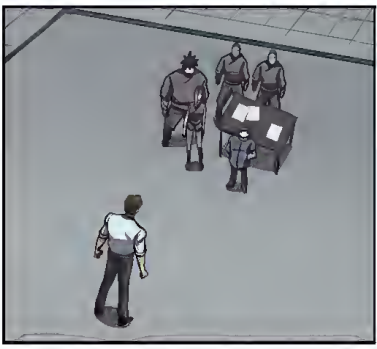


I was planning to just take the Ki from him, but... at this rate it's better to get rid of him.
What?!

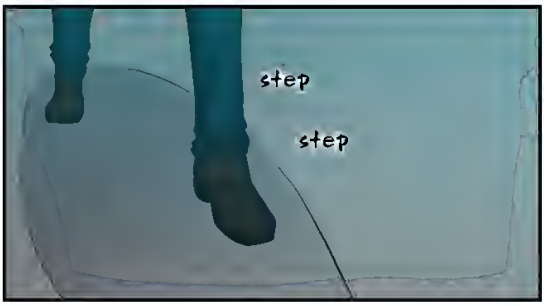
What he's saying is right.
.....

Did you forget? We'll soon be at war with the Branch Family.

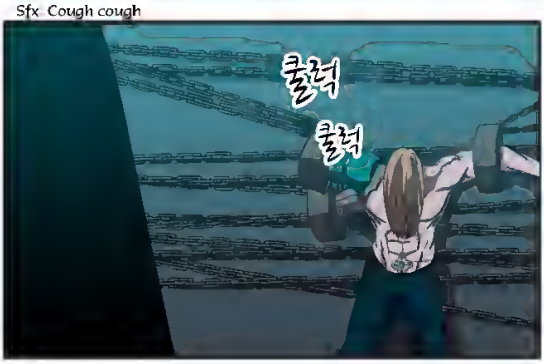
.....



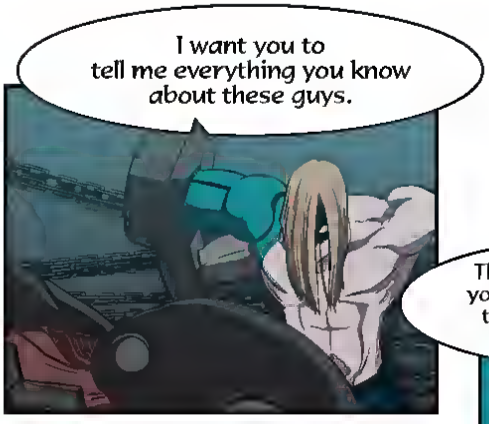
This will be an assassination attempt on Eun Aran.



Sfx: Cough cough



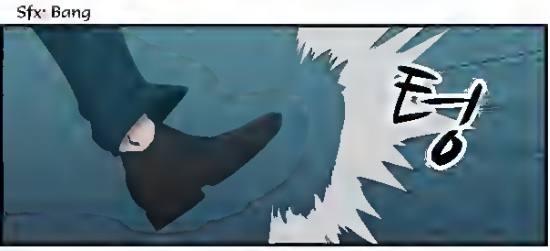
huff
huff



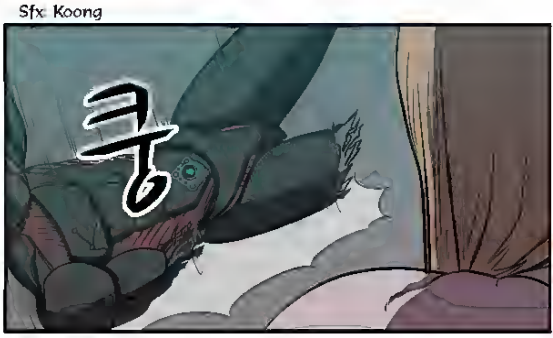
I want you to tell me everything you know about these guys.

The people who attached your arm are the same as the people who created these robots, right?

Sfx: Bang



Sfx: Koong

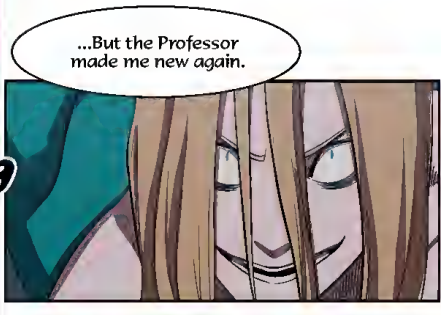


I need to know what this is.

It looks identical to the one on your stomach.

Kukuku, he finally finished it...
The Artificial Ki Core...
ARTIFICIAL KI CORE!!?
The Grand Master broke my body and destroyed my Ki Core...

!!!
clang



...But the Professor made me new again.

T... That's...

Are you telling me that these people use human bodies for experiments?
And they can create these Artificial Ki Cores as well?

Yes. Did you think you were safe because you'd captured me?

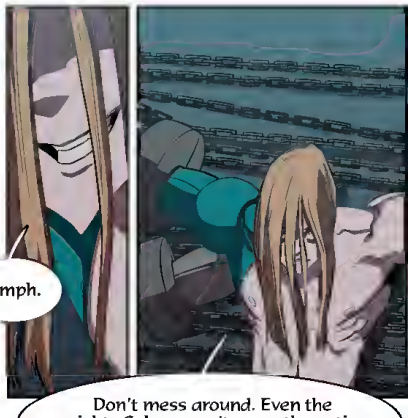
Sfx: Kukuku
Even now, Professor creates the robots like he's stamping out toys.

Capturing me won't do you any good.
The Murim you're trying to protect, the Main or the Branch Family will be wiped out soon.

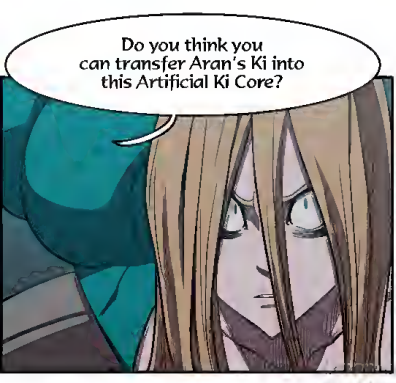
Help us.

and we will give you freedom in exchange.
swoop

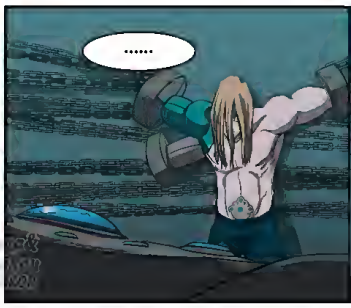
S... Suksoo Gramps! What're ya saying?!



Hmph.
Don't mess around. Even the mighty Suksoo can't move the entire Murim around as he pleases.



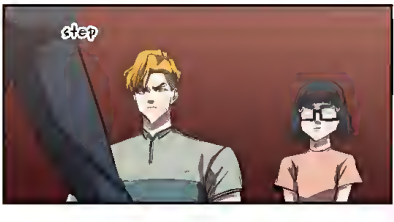
Do you think you can transfer Aran's Ki into this Artificial Ki Core?



.....

Can you transfer it
Scorpion?
DUDUM

Sfx: Bang



Sfx: Swoop
스윽

Sfx Looks around
두리번
두리번

Sfx: Ban

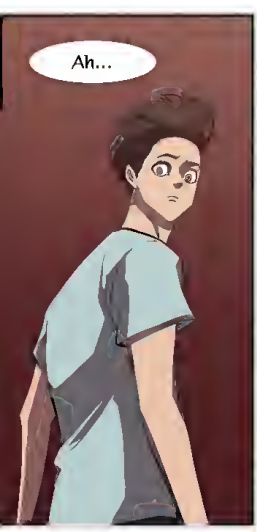
What're you doing?! Sit!



Ah...

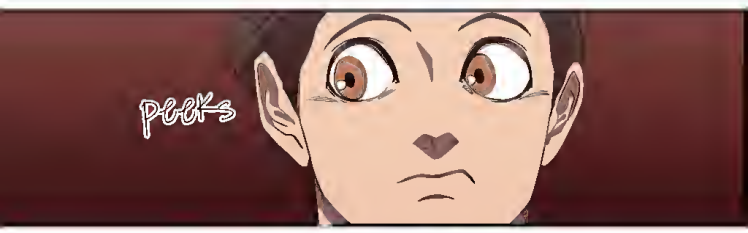
Sit...

Sfx: Sits
Khmm.
Everyone who sits here with you are your brothers and sisters from now, so treat them accordingly.
I'm your older brother!
I have a younger brother now!!
.....
Let us feast ourselves tonight!
Tomorrow, we destroy the Main Family!!
Come!!

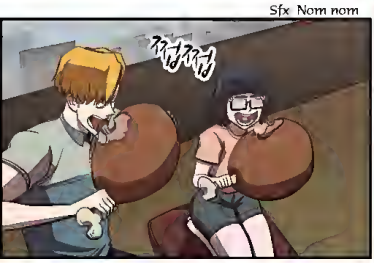
Sfx: Gets up

Sfx: Chuk chuk

Sfx: Bang



Sfx: Nom nom

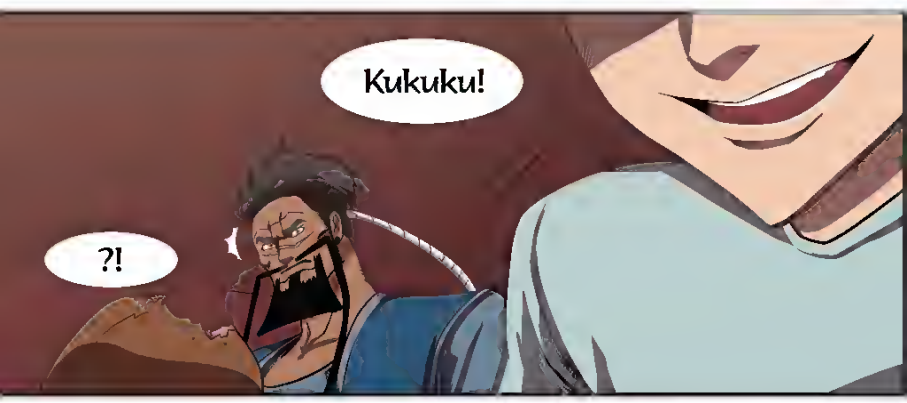


We'll obtain everything the Branch has to offer us.

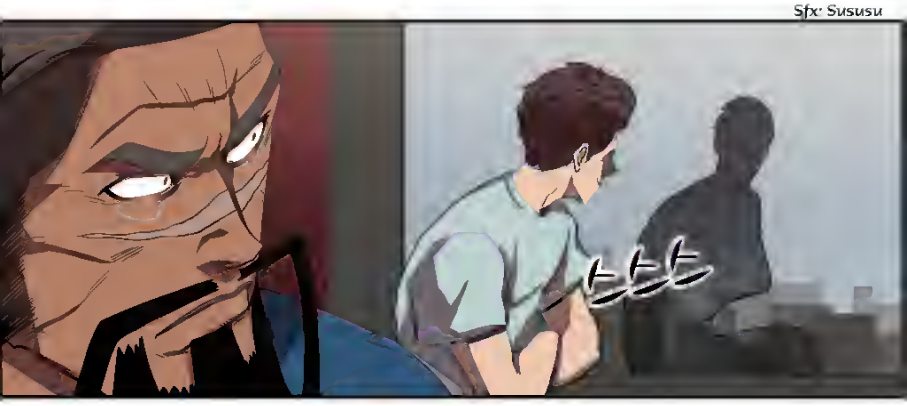
We'll drain every last one of their Ki and skills.

The ones in front of you are nothing but prey.

Yes, after we absorb all of their skills and Ki...
...We'll go to the Main Family



Kukuku!
?!



Sfx: Susuu
